It's another way to get through the day  
Picking up ripped cigarette boxes hoping that one  
remains

Yellow lucky day suck deep and bathe  
For the next ten minutes spent coughing on the  
pleasures craved

Write down all the things that you'd like to say  
Write down all the things that you'd like to change  
Write down all the places you'd like to stay  
Write down anything that you want

Is yesterday, tomorrow, today?  
Is nothing gonna change the way?

Crack rock top wall  
Let the ash to fall  
Left alone to wait  
I've never looked at things  
I've liked only things I hate  
You're not the first today  
You're not the softest face

Was there any that your liked,  
Was there any that you did'nt fake?

Write down all the things that youd like to be  
Write down all the things that you dont believe  
Write down all the places you'd like to see  
Write down anything that you want

Is yesterday tomorrow today?  
Is nothing gonna change the way?

Because everything that you  
And the things that you like to do  
And all of the things that are  
Come back again  
Come back again  
Come back again  
Come back again  
Come back again

Is yesterday, tomorrow, today?
