"Your My Star"

You fly with angels wings
You've got my blood in your veins
And your eyes see everything
And they shine like diamond rings

You're my Sunday
Make my Monday come alive
Just like Tuesday
You're a new day that wakes me up
Wednesday's raining
Thursday's yearning
Friday nights
Then it all ends at the weekend
You're my star

At times I cave right in (at time I cave right in)
But there's fights we have to win (the fights we have to win)
And your songs we love to sing (la la la la la, la la la la)
May your dreams forever live (la la la la, la la la la)

You're my Sunday
Make my Monday come alive
Just like Tuesday
You're a new day that wakes me up
Wednesday's raining
Thursday's yearning
Friday nights
Then it all ends at the weekend
You're my star

You're my star
Yes you are

Its a thrill to see your imagination
Just watching you is an education
What's in your mind is my fascination
It blows my mind and sets my heart a racing

You're my Sunday
Make my Monday come alive (you make me come alive)

Just like Tuesday
You're a new day that wakes me up (you make me
come alive)
Wednesday's raining
Thursday's yearning
Friday nights (you make me come alive)
Then it all ends at the weekend
