You know it's been such a long time  
And you know I've felt this way  
You hold your place here on the inside  
It's so hard to break away  
And I hold these scars of ours inside  
But I wear this smile for you tonight

And you should know  
There's a hole right here where my heart used to be  
Forever changing me  
It goes on and on and on and on and on, yeah  
Well there's a hole right here where my heart used to  
be  
Forever changing me  
It goes on and on and on and on and on, yeah

And as I lay my head down, I'm sorry  
Just hold on and believe  
And if I see you in the morning  
Will you save a kiss for me

And you should know  
There's a hole right here where my heart used to be  
Forever changing me  
It goes on and on and on and on and on, yeah  
Well there's a hole right here where my heart used to  
be  
Forever changing me  
It goes on and on and on and on and on, yeah

There's a hole right here where my heart used to be  
It goes on and on and on and on and on

You know I would wait forever  
But I can't hold on when there's nothing left to hold

There's a hole right here where my heart used to be  
Forever changing me  
It goes on and on and on and on and on, yeah  
And there's a hole right here where my heart used to  
be  
Forever changing me

It goes on and on and on and on and on, yeah

There's a hole right here where my heart used to be  
Forever changing me  
It goes on and on and on and on and on
