There was a time when we had something  
But it fell apart  
So far from where we started  
We close our eyes and feel the longing  
And we hit the ground, seperated  
I need to say

I'm sorry  
I never wanted you to feel the same way too

We've hurt  
We've cried  
We've shared the feeling of brokenness  
I'm trying to lean on what we had  
How far would I go to change the past and all those  
days  
I woldn't even take a step  
And I need to say

I'm sorry  
I never wanted you to feel the way I do  
I'm sorry  
I never wanted you to feel the same way too

I want to find  
To find a way  
To wash away all the pain  
And forget the day when all came to an end  
Bitterness has held it's grip on me for way too long  
And I never wanted to take it out on you
