We grew up in this country town

I'm stuck out here it's been forever

Where doing nothing is allowed  
And all my friends just say whatever

Once you're here

You're here to stay

Your life is made up

Got no say

I never ever see the light of day

You're so convincing

You talk a lot

About how this is all you got

If you don't remember times long ago

'cause sooner or later

Time gave them up

Sooner or later

Now go where you want

(why don't you)

Stay where you may

(get going)

My friends got a house

(don't say that)

So you don't have to pay

(i like it)

Its all added up

(why don't you)

Tomorrows the same

(get going)

Just got a job

(just try it)

If you want it to change

To me that's crazy or just lazy

At least i'm getting money for the rent

Your whole life saying one day

Maybe

I had my chance to go I never went

'cause i know you wanna get on up

And not go sit back

And just wait for luck

Doesn't really matter anyway

It's not always easy  
You gotta take the risk  
But it's better than living a life you miss  
If you don't remember times long ago  
'cause sooner or later  
Time gave them up  
Sooner or later  
Now go where you want  
(why don't you)  
Stay where you may  
(get going)  
My friends got a house  
(don't say that)  
So you don't have to pay  
(i like it)  
Its all added up  
(why don't you)  
Tomorrows the same  
(get going)  
Just got a job  
(just try it)  
If you want it to change  
Wake, eat, work, break, work, play, sleep then wake  
Break, work sleep, wake, eat, work on  
And now go where you want  
Stay where you may  
My friends got a house  
So you don't have to pay  
When it's all added up  
Tomorrows the same  
You just got a job  
If you want it to change  
And I'll go where you want  
(why don't you)  
Stay where you may  
(get going)  
My friends got a house  
(don't say that)  
So you don't have to pay  
(i like it)  
Its all added up  
(why don't you)  
Tomorrows the same  
(get going)  
Just got a job  
(just try it)  
If you want it to change  
If you want it to change  
I think it's time for me to get away
