Did I say I wouldn't be hurt if our love just didn't work?  
Did I say that I'd be okay if you said good-bye?  
And did I promise you I could take it if we were  
through,  
And forget about these feelings inside?

Baby I lied When I told you I could walk away  
Baby I lied And forget about the love we made.  
I swear on my heart I was telling the truth at the time.  
Baby I lied. Baby I lied.

And did I ever tell myself I could always find someone  
else?

Did I say if you left today it'd be no surprise?  
Did I ever leave any doubt I could hold up if you walked  
out?  
I know I told you that I could survive.

Baby I lied When I told you I could walk away  
Baby I lied And forget about the love we made  
I swear on my heart I was telling the truth at the time  
Baby I lied. Baby I lied.

And now that I can see you walking out of my life  
Saying good-bye, I realize, baby, baby, baby
