Why am I awake? Sitting here at three a.m.  
Void of passion and absent in thought. I still lay awake  
Awake by the pain she makes that wake that heart she  
breaks

I'm losing my mind. Backwards in time  
Forward, Forward, Rewind  
Ya I'm losing my mind. Backwards in time  
Forward, Forward, Rewind

If you know the things I've done. You wouldn't even  
beckon my name  
Moreover, I still care what you think. I still peruse the  
picture, frame. Picture frames

I'm losing my mind. Backwards in time  
Forward, Forward, Rewind  
Ya I'm losing my mind. Backwards in time  
Forward, Forward, Rewind
