La la la...

(CHORUS)

I love Amerikan music
Heavy, hard, or easy
No matter how you choose it
Let it roll, let it rock
Amerikan music
Gonna stay on top

It all started in the days of old
Buddy Holly on the radio
Johnny B. Goode was letting it rock
And Elvis Presley's still on top

James Brown had a traveling band
Jimmy Reed was big boss man
Duane Eddy played a twangy guitar
Ricky Nelson was a teenage star

(CHORUS)

Rolling down the river with CCR
Ike and Tina Turner's
Blasting in my car
Grand Funk Railroad
Was feeling alright
And Joy To The World
Is Three Dog Night

Janis and Me and Bobby McGee
Melanie's key, Chicago three
BJ sings a sweet lullaby
Amerikan music, Amerikan pie

I love Amerikan music
I love Amerikan music...
