Pardon me, miss
But I've never done this
With a real live girl

Let myself dare
To go dancing on air
With a real live girl

Pardon my holding you
Terribly tight
After I dreamed of you
Night after night

I can't let go
I suddenly know that
I've found my ideal
A real live girl

Nothing can beat
Being swept off your feet
By a real live girl

I overlooked getting
Caught on a hook
By a real live girl

I'm simply drowned
By your sight and your sound
And your scent of perfume's
Got me spinning around

I'll take the flower and hats
And the towering heels
And the squeeze of
A real live girl
