In the midst of all
My darkness, baby
You came along to guide me
You took pity on a lonely man
When you said you'd stand beside me

I'll never forget you
For what you've done
I'll never turn my back on you
For anyone

And I've so much
Love to give you
Baby, I've got so
Much love to give you

Girl, there's more than
Enough to last the
Whole night through
And it's all for you

My world was cold and empty
Oh, and my life was unfulfilling
When I need someone
To pick me up
Baby, baby, you were
Oh, so willing

Now, to you, it may
Seem like just a little thing
But to me, it was like
Changing winter to spring

I've got so
Much love to give you
Baby, I've got so
Much love to give you

Girl, there's more than
Enough to last the
Whole night through
And it's all for you

There's so few woman nowadays
Who understand the soul of a man
They're always on the taking it
Never giving it, never offering
A helping hand

But, baby, baby
I can always count on you
When trouble comes
To see me through

You show your love (your love)
In so many ways (so many ways)
I'm gonna love you (love you)
Yes, I will (baby, baby)

I've got so
Much love to give you
Baby, I've got so
Much love to give you

Baby, I've got so
Much love to give you
Baby (baby) I've got so
Much love to give you...
