How many times
I am so
I never send my soul for you
And all the things you do
I am already owned

For the rest of my days
You never take it away from me
My jealous fantasy
I am here to say

I am here to say that?.

I belong to you
My love
I belong to you
My love

And in the end
I'll go
I'll pack my bags and go
No more
I've seen it all the floor
And I am moving on

I am living a lie some days
I am living a lie most days...Yeah
And all used to be fun days
But I am moving on

I am here to say that?
I belong to you
My love
I belong to you
My love
My love my love?aw a ah
-Ow ow-

I belong to you my love
I belong to you
My love

I belong to you
My love
I belong to you?
My love yeah?hey ey
