Hey man stop looking at me  
Do I have something stuck in my teeth  
Do you mind just looking the other way  
Hey man what do you hope to see  
Weren't you living in my tv  
I had you pinned but now you've gone away

She's got eyes for christmas and teeth in her hair  
All of the girlies are starting to stare  
At me and my friends and I don't know what to do...  
with you  
Do you

Hey man I felt bad for you  
It all went wrong and it all fell through  
But maybe one day you'll triumph in the end, in the end  
See it all seemed real and it all seemed true  
So don't feel bad baby don't feel blue  
Now you know you've got me as a friend, in the end
