I'm on a plane
That takes me away
From the place
Where I belong
The choices I made
Before guilt came
They're not right,
They are not wrong
You're in my head
I wrote you this song
Sometimes I think I belong
Maybe I'm sad
Maybe I'm glad
But I'm ready for the night

People passing by
Living busy lives
Trying to forget
Their part at night
Everyone's the same
Playing dirty games
Wondering if anyone
Will find out

How we really are
Selfish to the bone
(I want what I need
And I'll have it now
You can't hold me down

I'm one a plane
That takes me away
From the place
Where I belong
The moments we shared
Are in the back of my head
I'll keep 'em there
For a while
It's important that I
Don't ever abide
Because you have a reason to stay

Maybe one day
When it all fades away
I'll be knocking on your door.
