I'm watching him as he is watching you
See your mouth moving
But I don't hear the words you try to say
I twist and turn through nights that last for days
I can feel you breathing
As I hold on to the ghost of yesterday

If I ask you will you cry
If you'd give trying one more try
Can't take your lying down
Don't talk of foolish pride
And moving on and on and on

Stay
Leave all the beautiful confusion that we made
Stay and leave the world behind
If I could change your mind
Pray
Believing that only one solution can remain
Stay and leave it all behind
'Cause out of sight is out of mind

Tell me that the innocence has gone
Paint it in your picture
Write it in the lines of your favorite song
So show me that two rights don't make a wrong
Sing it like a scripture
Play it to the crowd that's looking on and on and on

When you ask me will I cry
A blinded man can justify
Any action taken
Desperation
Stops your moving on and on and on

Stay
Leave all the beautiful confusion that we made
Stay and leave the world behind
If I could change your mind
Pray
Believing that only one solution can remain

Stay and leave it all behind
'Cause out of sight is out of mind

Stay with me, pray with me, stay

Stay
Leave all the beautiful confusion that we made
Stay and leave the world behind
If I could change your mind
Pray
Believing that only one solution can remain
Stay and leave it all behind
'Cause out of sight is out of mind
