I'm finding water in the strangest place,
I'm finding water, it's dripping down on my face,
I'm drowning in my fears and inhibitions, yeah yeah,

(Chorus)

Maybe we're all the same
Maybe our lives are just a waiting game
Maybe we really don't know anything about anyone

On the corner a man is begging for food,
On the corner, and hes's looking at you,
You won't look at him but "ohmygod!" he looking at
you,
At you...

(Chorus) 4x

And now we're drowning
The water's up to my face
Yeah, now we're drowning, the whole human race
We're swallowed up in all the problems that we have
caused, we have caused...
