I'll be walking on sunshine when I finally earn my wings,
I'll be dancing on cloud tops up with those sugar-plum
like things,

(Chorus)

When cupid aims his bow at me,
And makes my regrets history,
Until then I will play the game,
Of taking numbers, getting names

I've been sitting on rooftops looking at the sky, looking
alone
I've been watching the raindrops always knowing I can't
call one my own

Till cupid aims his bow at you,
And makes all of my dreams come true,
Until then I will play the game,
Of taking numbers, getting names

And I wait, and I wait, and I wait for someone better

Because there's got to be someone else out there tired
of playing the fool,
I need your name and number just in case it's you

(Chorus)
