One, two, three, four

Ooh, pretty baby, what you doin' to me?
The way your kisses burn right through me
I don't think I can last much longer
I get weaker and my love gets stronger

I don't think that my heart can take it
One little slip of a word might break it
Well, believe me, baby, this ain't no crush
I think, maybe, I love you too much

Now baby, baby, baby
Oh, baby, ooh baby, baby, I love you too much
Baby, baby, baby, oh, baby
Ooh, baby, baby, I love you too much

I tell myself this ain't no big thing
Then you give another little tug on that heart string
Well, you cut me darlin', and I'm still bleedin'
Just touch me baby, that's all I'm needin'

You must think that I'm easy, don't ya
'Cause I got scars that I've never shown ya
Well, every inch of me burns for your touch
I think, maybe, I love you too much

Well, now, baby, baby, baby
Oh, baby, ooh baby, baby, I love you too much
Baby, baby, baby, oh, baby
Ooh, baby, baby, I love you too much, oh

Now baby, baby, baby
Oh, baby, ooh baby, baby, I love you too much
Baby, baby, baby, oh, baby
Ooh, baby, baby, I love you too much

Baby, baby, baby
Oh, baby, ooh baby, baby, I love you too much
Baby, baby, baby, oh, baby
Ooh, baby, baby, I love you too much
