Title: All Hearts Aren't SHAPED The Same

Please don't change the way you are.
There's no one like you for me.
I could search my whole lifetime,
to find someone like you..

I can't expect anyone to know how I feel.
Even though, I'm so lucky to get to know your heart
for myself, right away.
You showed me that it's okay to love.
Cause you showed me all hearts aren't shaped the
same...

Oh
By myself, but not alone.
I connect with you mind, body and soul.
You're like a sweet dream.
But you're real. Yes you are..
You're blessed with a heart of gold..

I can't expect anyone to know how I feel.
Even though, I'm so lucky to get to know your heart
for myself, right away.
You showed me that it's okay to love.
Cause you showed me all hearts aren't shaped the
same...

-Verse 3-

They think they're protecting me...
by standing in our way...
Cause I've been hurt by another guy before.
He told me lies, but your love gives me butterflies.
I know your heart beats for me.
And one day I know they will see..

But I can't expect anyone to know how I feel...
Even though, I'm so lucky to get to know your heart
for myself, right away.
Showed me that it's okay to love.
Cause you showed me all hearts aren't shaped the
same...

mmm hmmm
Cause you showed me that all hearts aren't shaped the
same...
Not the same...
