Well it's a party  
The lights are low and I'm seein everybody  
Just havin some fun  
And there's a cutie who's wavin' Hi  
Givin me the eye  
I guess I'm gonna give him a try, but it's

Chorus:  
Just a dance nothing more  
Leave what happens on the floor  
On the floor  
You can look but you can't touch because  
It's just a dance nothing more  
What you need my number for  
Ain't no need for you to even think romance  
Cause it's just a dance

You might be thinkin'  
That because we're dancin close  
And we're vibin' that you're gonna get lucky  
Take it easy, it's just a party  
So let the DJ do his thing and let the music play  
Cause it's just a dance

I wanna enjoy the party and have fun like everybody  
but your messin' up my groove  
What did you come here to do  
I won't be goin' home with you

(Chorus)
