Each night you held me in your arms  
Still you never did keep me warm  
Conversation was a waste of time  
You never even asked what was on my mind, oh I

It's funny how I can't recall your touch  
Spending time alone with you is never enough  
This emptiness I feel is too much  
You may not understand there's been a change of  
plans

Mr. Lonely, you gotta go  
You need to pack your bags and be out the door  
Even though you were there for me  
You never cared for me  
Before I couldn't see but now I know  
Mr. Lonely, I'm in love  
I've found a real man and you need to know  
And this time you won't be coming back  
'Cause his love will last  
Mr. Lonely, who's lonely now?

Two o'clock on a Sunday afternoon  
Same place, same park but where were you  
I waited but you never came  
That's when he sat down, but it wasn't the same, oh I

Every word I said, he listen to  
Everything he had, I was missin' in you  
He's the man I never had before  
I won't be needin' you no more

Mr. Lonely, you gotta go  
You need to pack your bags and be out the door  
Even though you were there for me  
You never cared for me  
Before I couldn't see but now I know  
Mr. Lonely, I'm in love  
I've found a real man and you need to know  
And this time you won't be coming back  
'Cause his love will last  
Mr. Lonely, who's lonely now?

The silence was killin' me  
It almost got the best of me  
And now that I've got room to breathe  
I'm makin' some changes, changes

I'm stronger now  
I'm wiser now  
A real man wants to hold me now  
It's clear to see I'll never be Mrs. Lonely

If you think you're lonely now  
Wait until tonight my babe, my babe my babe  
If you think you're lonely now  
Wait until tonight my babe, oh yeah

Mr. Lonely, you gotta go  
You need to pack your bags and be out the door  
Even though you were there for me  
You never cared for me  
Before I couldn't see but now I know  
Mr. Lonely, I'm in love  
I've found a real man and you need to know  
And this time you won't be coming back  
'Cause his love will last  
Mr. Lonely, who's lonely now?

Mr. Lonely, you gotta go  
You need to pack your bags and be out the door  
Even though you were there for me  
You never cared for me  
Before I couldn't see but now I know  
Mr. Lonely, I'm in love
