No baby, no baby, yeah

You never knew how much you hurt me, baby
You never cared how much I cried
Baby, I gave my heart to you, you just walked away
Now you've come back and now you wanna stay

But you're never gonna make me cry again, again
And you're never gonna break my heart again
Like you did, then
No, you're never gonna make me cry
No, you're never gonna break my heart again

What made you think that I'd forgive you, baby?
What made you think that I'd forget?
Thought you could walk back in my world
But I've closed the door
I can't let you in, baby, anymore

And you're never gonna make me cry again, again
And you're never gonna break my heart again
Like you did, yeah, then
No, you're never gonna make me cry
No, you're never gonna break my heart again, oh

You've had your last one more chance
There's no more for you, baby
So don't knock on my door
You're not welcome no more

And you're never gonna make me cry again, ho no
Oh, you're never gonna break my heart again
Like you did, baby, no, no, no, no

Never gonna make me cry, make me cry again
And you're never gonna break my heart again
Just like you did, baby, then, yeah
No, you're never gonna make me cry
You're never gonna break my heart again

Never gonna break my heart
Never gonna break my heart

Oo, my heart

I've closed the door
You're not welcome anymore, baby
Oh baby, oh baby

Never gonna break my heart
Never gonna break my heart
Oo, my heart

I've closed the door
You're not welcome anymore, baby
