How did you get here? Nobody's supposed to be here  
I've tried that love thing for the last time  
My heart says no, no, nobody's supposed to be here  
But you came along and changed my mind

I've spent all my life on a search to find  
The love who'll stay for eternity  
The heaven sent to fulfill my needs  
But when I turn around  
Again love has knocked me down  
My heart got broken oh, it hurt so bad  
I'm sad to say, ?Love wins again?

So I placed my heart under lock and key  
To take some time and take care of me  
But I turn around and you're standing here

How did you get here? Nobody's supposed to be here  
I've tried that love thing for the last time  
My heart says no, no, nobody's supposed to be here  
But you came along and changed my mind

This time I swear I'm through but if only you knew  
How many times I've said those words  
Then fall again, when will I ever learn?  
Knowing these tears I cry, this lovely black butterfly  
Must take a chance and spread my wings  
Love can make you do some crazy things

So I placed my heart under lock and key  
To take some time and take care of me  
But I turn around and you're standing here

How did you get, how did you get here?  
Nobody's supposed to be here  
Nobody, no, no, no, no, no, no, no, no, no

How did you get here? Nobody's supposed to be here  
I've tried that love thing for the last time  
My heart says no, no, nobody's supposed to be here  
But you came along and changed my mind

How did you get here? Nobody's supposed to be here  
I've tried that love thing for the last time  
My heart says no, no, nobody's supposed to be here  
But you came along and changed my mind
