Oh Yeah  
Im going down when I hear the sound  
The sound of my tears

Always the life of the party.  
Always the clown of the class  
All of my firends see me happy baby  
But happy is only a mask  
Nobody knows  
When Im alone inside my room I sing another tune

Chorus:  
Im going down  
When I hear the sound  
The sound of my tears  
When your not around  
Its all I can do  
When I listen to  
The sounds of my tears  
Baby when I missing you

Dont mind the sounds of the city baby  
Dont mind the noise of the crowd  
Just when I'm lonely with my thoughts of you  
The silence is always too loud  
Pay it no mind  
You know the truth behind the smile  
Is only just a lie

Chorus:  
Im going down (Im going down)  
When I hear the sound (I hear the sound)  
The sound of my tears (Oh Yeah)  
When your not around (Youre not around)  
Its all I can do (all I can do)  
When I listen to  
The sounds of my tears  
Baby when I missing you
