Ooh, baby I didn't come here to fight  
Why you wanna mess with me?  
Ooh, I'm always willin' to compromise with you  
But you ain't controllin' me

'Cause I came here to make love  
Not war with you babe  
So try to find some ways  
To make me feel good

Up and down, in and out  
That's what love is all about  
Always leaves both of us  
Feelin' good or so helpless

Up and down, in and out  
Love keeps movin' us around  
To the beat like a drum  
I don't know if I can catch your rhythm

Ooh, you know me better than I know myself  
So why you keep teasin' me?  
Ooh, can't see me bein' with nobody else, no  
'Cause you love me so crazy, yeah

'Cause I came here to make love  
Not war with you babe  
So try to find some ways  
To make me feel good

Up and down, in and out  
That's what love is all about  
Always leaves both of us  
Feelin' good or so helpless

Up and down, in and out  
Love keeps movin' us around  
To the beat like a drum  
I don't know if I can catch your rhythm

Up and down, in and out  
That's what love is all about

Always leaves both of us  
Feelin' good or so helpless

Up and down, in and out  
Love keeps movin' us around  
To the beat like a drum  
I don't know if I can catch your rhythm

You know I'm in a sexy mood  
So why you gotta act a fool tonight  
You need to change your attitude  
'Cause I ain't arguin' with you, you're right

You know I'm in a sexy mood  
So why you gotta act a fool tonight  
You need to change your attitude  
'Cause I ain't arguin' with you

Up and down, in and out  
That's what love is all about  
Always leaves both of us  
Feelin' good or so helpless

Up and down, in and out  
Love keeps movin' us around  
To the beat like a drum  
I don't know if I can catch your rhythm

Up and down, in and out  
That's what love is all about  
Always leaves both of us  
Feelin' good or so helpless

Up and down, in and out  
Love keeps movin' us around  
To the beat like a drum  
And I don't know if I can catch the rhythm  
Catch the rhythm

Are you feelin' me?  
Are you feelin' me, baby?  
I'm in the mood to make sweet love, yeah

Up and down, in and out  
Up and down, in and out  
Up and down  
That's what love is, yeah
