Madly in love with You and I'm madly in love with You  
Let what we do in here fill the streets out there  
Let us dance for You let us dance for You  
All of my life and nothing less I offer to You My  
Righteousness  
I love the way you cover me  
You give me life you make me free  
You love me with a love like a mother to a child  
Your love is big and your love is wild  
What can i do but sing for you  
And shout for you and dance for you  
I run to you when i think about what you've done  
Your love is better than anything...i love you
