Well [E] don't ya go [A]thinkin', and [E] thinkin', and [B]
thinkin'

And [E] thinkin' so [A] much 'till you're [E] stranded
be[B]hind

[E] Don't ya go [A] thinkin', and [E] thinkin', and [B]
thinkin',

And [E] thinkin' so [A] much 'till you're [B] losin' your
[E]mind

There's so [G#min] many [B]depressions all
[C#min]plowed in your [E] brain

[A]Trace 'em too [E]far, and they'll drive you [B] insane

[A]You're twisted so [E] tight now, you [A] hardly can
[E] talk

Get out in the [F#min]daylight and [A] go for a [B] walk

All the tension inside has gone through to your face

You're flashin' your madness all over the place

You stand in the hallway an' try to explain

I look in your eyes, I see shackles an' chains, aw

You're chasin' some notion you've misunderstood

You're tryin' so hard, can't you tell it's no good?

You analyze everything into a "No"

You're fallin' apart, you got nothing to show
