Baby, it's a dream come true
Walking right along side of you
Wish i could tell ya how much i care
But i only have the nerve to stare.....

I can feel a new expression on my face
I can feel a strange sensation taking place
I can hear the guitars playing lovely tunes
Everytime that you walk in the room

I close my eyes for a second and pretend
It's me you want
Meanwhile I try to act so nonchalant
I see a summer night with a magic moon
Everytime that you walk in the room

Baby it's a dream come true
Walking right along side of you
Wish I could show you how much I care
But I only have the nerve to stare

I can hear a something pounding in my brain
Everytime that someone speaks your name
Trumpets sound and I hear thunder boom
Everytime that you walk in the room,
Everytime that you walk in the room,
Everytime that you walk in the room.
