We are the people of God  
The sons and daughters of love  
Forgiven, restored and redeemed  
Living our lives to the praise of our King  
We are the ones who will shine  
His light in the darkness of the night  
The hopeless, the broken, the poor  
They will be hopeless no more

You are the light  
The light of the world  
And we shine You, Lord  
You are the light  
The light of the world  
And we shine You, Lord

We are the people of God  
The sons and daughters of love  
Forgiven, restored and redeemed  
Living our lives to the praise of the King  
We are the ones who will shine  
His light in the darkness  
The hopeless, the broken, the poor  
They will be hopeless no more

[Repeat Chorus x2]

We shine like stars in the universe  
Proclaiming the hope of our God  
And to the sons and daughters in all the earth  
We shine You, Lord  
(Repeat x2)

And to the lost and the broken  
The hurting and hopeless  
We shine You, Lord  
To the ones who are weary  
Burdened and suffering  
We shine You, Lord

[Repeat Chorus x2]

We shine like stars in the universe  
We shine, we shine  
To the sons and daughters in all the earth  
We shine You, Lord yeah-ah
