Steve Forde
"Beer And Women"

I roll over in the morning and I get out of bed
I take a few steps and wipe the sleep from my head
I'm up before the sun even thinks bout shinin'
Even after a late night of wining and dining
I'm doing mu best to get by with no rest
The way I live my life is like this I guess

I spend most of my money on beer and women
And the rest I wasted
I work hard all day just to earn my pay
And then I go out at night and I waste it
I haven't got a dime to show for my time
That I've been livin' my life
But if you asked me if I wanted to do it again
I'd say I'd do it twice

I've never been one to save very much
I spen too much time falling in and out of love
And crawlin' in and out of my watering hole
Most people sayin' that I'm loosing control
But I'm living my life just like a young bloke should
I'd like to do it forever if I could I would

I spend most of my money on beer and women
And the rest I wasted
I work hard all day just to earn my pay
And then I go out at night and I waste it
I haven't got a dime to show for my time
That I've been livin' my life
But if you asked me if I wanted to do it again
I'd say I'd do it twice

I've been known to go the extra mile
When it comes to a bloke being extra wild
From a B & S to a rodeo
I'll be there tryin to be a girls romeo
I said it before and I'll say it again
I'll do it forver man I know I can

I spend most of my money on beer and women
And the rest I wasted
I work hard all day just to earn my pay

And then I go out at night and I waste it
I haven't got a dime to show for my time
That I've been livin' my life
But if you asked me if I wanted to do it again
I'd say I'd do it twice
But if you asked me if I wanted to do it again
I'd say I'd do it twice
Yeah, I'd do it twice
