

## Steve Forde "Captain Good Times"

Visit "[Captain Good Times](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Long neck, beer, wine, women and whiskey  
Got to get ya fired up so ya all come with me  
Come and kick it with the ploughboy flip it mak e a loud  
noise  
Gpтта get naked if you wanna get a cowboy  
I'm a new breed so come see and set free who you'll be  
just follow my lead

Come cruising in my 65' good-timin' machine  
Be cranin' that shika up soo much it'll burst at the  
seams  
I'll be ripped on music, you will be too  
Come ride with captain good times tonight

I know a little place set back from the rat race  
Faced eighteen hundred acres  
Days spend on occasion  
It'd a three day chilled dry scotch vacation  
A twist of the jakuzz and a veiw of the hugest boobs  
Can do it with ease just believe coz all you gotta do is

Come cruising in my 65' good-timin' machine  
Be cranin' that shika up soo much it'll burst at the  
seams  
I'll be ripped on music, you will be too  
Come ride with captain good times tonight

Flange Come on  
You can never ever, ever get on my level  
I should have been rock star to the heavy metal  
Now I'm deep up in the game of \*\*\*\*\* with a shovel  
Climbin' up sugar hull watchin' my lac level  
I got diamonds in the bezel I don't stand a chance  
They say they \*\*\*\* around and put young doob with  
flange  
Now who da man (who da man) ya got a plot, I got a  
plan  
To blow a grand and have Sarah makin more than da  
band  
You people still be drivin' houses  
I thought I told you I was country on the "chronic 2000"  
Thirty carats in my teeth I'm a shinin' star

Especially with Barney on the beats and Steve on the  
guitar  
Steve showed me his horses I showed him my candy  
car  
The he turned me on the Bundy and I put him up on the  
bar?  
Then we doubled parked the lac VIP and blew a gar  
From Texas to Sydney you know who us are

Come cruising in my 65' good-timin' machine  
Be cranin' that shika up soo much it'll burst at the  
seams  
I'll be ripped on music, you will be too  
Come ride with captain good times tonight
