Guns and guitars
Have a way of breaking ladies hearts
Guns and guitars
Make men feel bigger then they really are

A mumma's heart gets broken
When her baby goes to totan
A six string on his shoulder or a pistol in his hand
This world is full of fathers
Who are worried bout their daughters
Taken up with boys who run in gangs or play in bands

Cause guns and guitars
Have a way of breaking ladies hearts
Guns and guitars
Make skinny pool boys strut like superstars

Some guys wanna stand out
Some are looking for a way out
Told to do their talking for them loud and proud and
strong
He'll bend that string, he'll cock that thing
Feel the power that it brings
He's heart will pound and ears will string
As the women cry at home

Cause so much can go wrong with
Guns and guitars

Guns and guitars
Have a way of breaking ladies hearts
Yeah, guns and guitars
Make men feel bigger then they really are
Guns and guitars
Make skinny pool boys strut like superstars

Well lives get lost
And dreams die hard
With guns and guitars

Well lives get lost
And dreams die hard

With guns and guitars
