[Chorus]

I'm burning up, you better put me on ice
I can't get enough, the girl is dynamite
She's got me crazy, got me going insane
Shake me, blow me, break me like a hurricane

Her T-shirt says Countess Hot
Her smile gets me like a wayward shot
She got a bad girl wrappin', she just don't care
Her everything makes you want to stay
She's not an angel, but she's almost there

[Chorus]

I'm burning up, you better put me on ice
I can't get enough, the girl is dynamite
She's got me crazy, got me going insane
Shake me, blow me, break me like a hurricane
Then do it again

So glam, some hot red lips
The sexy shiver as the curval hips
And music it turns on that magic switch
And the base it drives them dangerous hips

[Chorus]

I'm burning up, you better put me on ice
I can't get enough, the girl is dynamite
She's got me crazy, got me going insane
Shake me, blow me, break me like a hurricane
Then do it again

Ooh, it feels like 100 degrees
Ooh, is it just me?

[Chorus]

I'm burning up, you better put me on ice
I can't get enough, the girl is dynamite
She's got me crazy, got me going insane
Shake me, blow me, break me like a hurricane
Then do it again
