Words, bouncing down a hallway  
The kind that you can't  
The kind you can't take back again  
Even if you wanted to  
Thoughts, running through my mind  
Of each and everytime I tried to say  
That I'm not the kind to just give up

Everytime it gets this way  
I don't believe the things I say  
I go on about what you do  
And where it is we're heading to  
I won't deny those feelings a man can't resist  
Everytime it gets like this

Feelings, rising up inside my soul  
I want to but I can't let go  
I feel as if I'm gonna blow  
They surely got a hold on me  
Ain't love a funny thing  
It keeps you from remembering  
All the pain, the suffering  
And the heartache it brings

Everytime it gets this way  
I don't believe the things I say  
I go on about what you do  
And where it is we're heading to  
I won't deny those feelings a man can't resist  
Everytime it gets like this

A little time and apoligizing  
A new sun on a new horizon  
A touch of a hand, a kiss on the cheek  
I know when she's looking at me

Everytime it gets this way  
I don't believe the things I say  
I go on about what you do  
And where it we're heading to  
I won't deny those feelings a man can't resist  
Everytime it gets like this
