Dear, Lord, You know that I love You
More than anything else in all the world
And how often I want to lift my voice
To sing praise to You

But so any times the busyness of my life
Makes You seem so far away
But deep within me I can feel the gentle nudge of Your
love
And that is what I know it's all that really matters is
knowing You

Just the time I feel that I've been caught in the mire of
self
Just the time I feel my mind's been bought by worldly
wealth
That's when the breeze begins to blow, I know the
Spirit's call
And all my worldly wanderings just melt into His love

Oh, I want to know You more
Deep within my soul, I want to know You
Oh, I want to know You
To feel Your heart and know Your mind
Looking in Your eyes stirs up within me
Cries that say I want to know You

Oh, I want to know You more
Oh, I want to know You more

When my daily deeds ordinarily lose life and song
My heart begins to bleed sensitivity to Him is gone
I've run the race but set my pace and face a shattered
soul
But the gentle arms of Jesus warm my hungering to be
whole

Oh, I want to know You more
Deep within my soul, I want to know You
Oh, I want to know You
And I would give my final breath
To know you in your death and resurrection

Oh, I want to know You more
Oh, I want to know You more
Oh, I want to know You more
