Let not the wise man boasting his wisdom
Or the strong man boasting his strength
Let not the rich man boasting his riches
But let the humble come and give thanks
To the one who made us, the one who saved us

I will boast in the Lord my God
I will boast in the one who's worthy
I will boast in the Lord my God
I will boast in the one who's worthy, He is worthy

Oh, let not the wise man boasting his wisdom
Or the strong man boasting his strength
Let not the rich man boasting his riches
But let the humble come and give thanks
To the one who made us, to the one who saved us

I will boast in the Lord my God
I will boast in the one who's worthy
I will boast in the Lord my God
I will boast in the one who's worthy
He is worthy, He is worthy

I will make my boast in Christ alone, alone
I will make my boast in Christ alone, alone
I will make my boast in Christ alone, alone
I will make my boast in Christ alone, alone
I will make my boast in Christ alone, alone
I will make my boast in Christ alone, alone

I will boast in the Lord my God
I will boast in the one who's worthy
I will boast in the Lord my God
I will boast in the one who's worthy

I will boast in the Lord my God
I will boast in the one who's worthy, He is worthy
I will boast, I will boast, I will boast in the one who's
worthy, who's worthy
I will boast
