Some say it does not exist  
I don't believe its true  
You just have to take a risk  
Find out what's good for you

If you want to hear a million stories  
You can read through all my chapters  
Right now and ever after  
If you ever have a single worry  
All you have to do is take my hand

I can show you,  
Show you love  
Just let me show you,  
Show you love  
Come on, let me show you love

There are many skeptics  
I find this to be true  
Don't you know that love is getting so rare  
It's made a non-believer out of you
