Pop paper people printing "rebel insane"
They in my head and digging into my brain
I need umbrella to keep out the rain
I can't hope to keep the pace I have made
Maybe I'll settle in the country and fade

It's all too much for me to handle with ease
I'm sinking fast- I'll soon be down on my knees
Dreams of loretta and lorraine and louise
I can't hope to be the "devil-may-care"
Maybe I'll settle with you all in my hair

Broke three fingers last night
Ain't got the energy to fight
They tell me everyfhing's gonna be all right
I can't dope to do more than my best
It's so easy. this is really no test!
