Somebody told me all of your goodness  
It sure sounded good to me  
Now I was thinking if I could try it  
Just a little bit to see

Now through every temptation  
You were on my side ya help me  
See the way, didn't try to confuse me  
Only to use me 'cause you had  
Something to say now

Ain't nobody gonna stop me now  
I'm gonna keep hope and let the light shine  
'Cause everyday you keep telling me  
I'm your child

Now through all of the crying  
And all of the sighing  
Ya never let me down  
Or if I would stumble I'll make a crumble

Ya kept me safe and sound  
Now I'm so grateful you stepped right on in  
Said child I'll lead the way  
Only sent to spread love maybe  
To get some love each and everyday, oh but now

Ain't nobody gonna stop me now  
I'm gonna keep hope and let the light shine  
'Cause everyday you keep telling me  
I'm your child

Ain't nobody gonna stop me now  
I'm gonna keep hope and let the light shine  
'Cause everyday you keep telling me  
I'm your child

Yeah, hey, hey, hey, yeah  
Hey, ah, ah, ah, ooh  
Ain't nobody, yeah

Ain't nobody gonna stop me now

I'm gonna keep hope and let the light shine  
'Cause everyday you keep telling me  
I'm your child

Ain't nobody gonna stop me now  
I'm gonna keep hope and let the light shine  
'Cause everyday you keep telling me  
I'm your child

Ain't nobody gonna stop me now  
I'm gonna keep hope and let the light shine  
'Cause everyday you keep telling me  
I'm your child
