Because of Your love for me
I'll give You everything
My praise and love, I'll bring
Because of Your love for me
Your love, Your love

The greatest joy that I have
Ever known is the day that
I came to know You
Just as lost as I could be
Lord you'd came and rescued me
Now my gratitude's forever

My heart and my life
And my, gift that they all bring
Glory to You
When I felt Your mercy two words
Help describe You, faithful and true

Because of Your love for me
I'll give You everything
My praise and love, I'll bring
Because of Your love for me
Your love, Your love

No other real no place within my will
To always keep the praises flowin'
I will love You all the way
And I'll bless You everyday
It's Your love Lord
That keeps me goin'

My heart and my life
And my gift that they all bring
Glory to You
When I felt your mercy, two words
Help describe, You faithful and true

Because of Your love for me
I'll give You everything
My praise and love, I'll bring
Because of Your love for me

Your love for me

Because of Your love
Oh yes Lord Your love
Worship You only
Praise the one above
It's my desire to lift You higher
Thank You for Your love, Your love

Because of Your love
Oh yes Lord Your love
Worship You only
Praise the one above
It's my desire to lift You higher
Thank You for Your love, Your love

Because of Your love
Oh yes Lord Your love
Worship You only
Praise the one above
It's my desire to lift You higher
Thank You for Your love, Your love
