Only twilight, calm and barkless, no more daylight, only
darkness

Only twilight, only twilight made the change without
delay

Hope 'n' psyche, open brainy, they throw my key to the
drainy

Open psyche, open psyche, a chance to take without
decay

Many attempts to swim puddles, lead to contempt,
often muddled

Many attempts, many attempts, someone's listening
again

Nothing, no more come from judy, lots of colour come
from moody

Nothing, no more, nothing/no more, I'm putting new
coaches on the train

We was angry, no, disheartended, stole the pantry, not
the garden

We was angry, we was angry, back to the farm, back to
the farm

No more angry, no, more busy, got me sanctuary, ask
who is he

No more angry, no, no angry, we're rolling around in
hyper schemes
