You beat my pillow with your whispers and your screams  
Like in the sixties youre my peaches and my cream  
You give me loving like Im wanking in a dream  
I wouldnt swoop you for the riches of no queen  
Dont show me doors just give me the keys  
Youre like some devil when Im down on my knees

Chorus: if this is love youve gotta give me more

You give me shivers when your tongue is in my ear  
Like in the movies youre my pin-up of the year  
Im so excited by your alligator tears  
Its only love but then its music to my ears  
Dont give me words just show me your eyes  
Youre my tarantula so itll come as some surprise

Chorus: take it !!!

Dont show me doors just give me the keys  
Youre like some devil when Im begging you down on  
my knees

Chorus: out? out? out!!!
