Shall I begin from here to tell everything ?  
Relinquish honour in order to make it ring ?  
You'd have to give me your promise  
You won't expect too much from this  
You'll just be happy with the gold that I bring

We've been playing cat and mouse now for far too long  
I can't let it simmer and just go gruelling on  
I have to make my move  
I've still got so much to prove  
You can't imagine the life that I've had

If I could put the words together  
If I could put the words together  
If only I could put the words together  
You'd understand

You've been a magnet stuck in my memory  
I'd hide if I could but I'm red in a yellow sea  
Consider me lost in aspic  
(I'd give in but that's not my schtick)  
You'll haunt me for ever, I know you will

If I could put the words together  
If I could put the words together  
If only I could put the words together  
You'd understand
