Since you went away  
It's been  
One year two months  
But it just don't seem like yesterday  
We were, we were still together  
Time has passed and things have changed so  
Why do I feel this way  
Cuz you're with somebody else  
And I'm with somebody else but

Whenever I think about the love we had  
(It hurts so bad)  
Whenever I think about the love we made  
I said that I'd be strong  
Girl I really thought that I'd move on  
But still I find myself asking

Do you still think of me  
Like I think about you  
Do you still dream of me  
Cuz I can't sleep without you  
Tell me if time should make a change  
Then why do I feel the same  
Your love has got me addicted

Said I don't know  
[When I'm with a chick and we make love I call your  
name]  
Said I don't know  
[Wanna be with somebody else I push them away]  
Tell me if time should make a change  
Then why do I feel the same  
I know I gotta move on but  
I'm so addicted to you  
(You)

It's been long enough  
Don't know  
Why I'm still holding on  
If I had a wish babe I would turn back the hands of time  
Cuz you don't know what you've got until it's gone (until  
it's gone)

That's the reason why I'm writing you this song

Girl I'm slippin'  
And I don't know what to do  
Girl I admit it  
I'm sick over you  
Damn  
I realize my mistake  
My pride got in the way  
I shoulda begged you to stay

Do you still think of me  
Like I think about you  
Do you still dream of me  
Cuz I can't sleep without you  
Tell me if time should make a change  
Then why should I feel the same  
Girl your love has got me addicted (Got me addicted)

Said I don't know  
[When I'm with a chick and we make love I call your  
name]  
Said I don't know  
[Wanna be with somebody else I push them away]  
Tell me if time should make a change  
Then why do I feel the same  
I know I gotta move on but  
I'm so addicted to you

If you ever lost someone you truly love  
Let me hear you say "yeah"  
(Yeah)  
Say "yeah"  
(yeah) Let me hear you say  
And if you ever lost someone you truly need  
Let me hear you say "yeah"  
(Yeah)  
Say "yeah"  
(Yeah)

Do you still think of me  
Like I think about you  
Do you still dream of me (yeah)  
Cuz I can't sleep without you  
Tell me if time should make a change  
Then why do I feel the same (Why do I feel)  
Your love has got me addicted

Said I don't know  
[When I'm with a chick and we make love I call your  
name]

Said I don't know  
[Wanna be with somebody else I push them away]  
Tell me if time should make a change  
Then why do I feel the same  
I know I gotta move on but  
I'm so addicted to you

Like I think about you  
Do you still dream of me  
Cuz I can't sleep without you  
Tell me if time should make a change  
Then why do I feel the same  
Your love has got me addicted (it's got me addicted)

Said I don't know  
When I'm with a chick and we make love I call your  
name  
Said I don't know  
Wanna be with somebody else I push them away (I just  
push them away)  
Tell me if time should make a change (Make a change)  
Then why do I feel the same (Feel the same)  
I know I gotta move on but  
I'm so addicted to you
