Wake up... and smell the beans  
No ones gonna help you  
What I mean is mean Mr. Mean's misdemeanours  
I'm in it for me. What's in it for me, Venus?  
Hold on to your wild heart  
Or it'll take you to the desert  
Sleep tight. The red sea rolls apart.  
Mr. Moses sure steered clear of the roses  
Cause you don't know chaos and you don't know pain  
You don't know wonderful you don't know strange  
You don't know everything you know is wrong  
Until you fall  
Until you fall  
In love  
Money don't make you happy  
Take a look at the millionaires only son  
He's a thick sheik, he'll give you all that you can take  
But you can't stop him.. going shopping..  
Cause you don't know chaos and you don't know pain  
You don't know deaf and you don't know blind  
You don't know the meaning of a good time  
Until you fall  
Cause you don't know chaos and you don't know pain  
You don't know wonderful you don't know strange  
You don't know deaf and you don't know blind  
You don't know the meaning of a good time  
Until you fall  
Until you fall  
In love
