[Chorus:]

Good Morning, Beautiful
How was your night?
Mine was wonderful with you by my side
When I open my eyes to see your sweet face,
It's a good morning, beautiful day!

I couldn't see the light
Didn't know day from night
I had no reason to care
But since you came along
I can face the dawn,
'Cause I know you'll be there.

[Repeat Chorus]

I never worry if it's raining outside
'Cause in here with you, girl
The sun always shines!

[Repeat Chorus]

Yeah, Good Morning Beautiful Day... Good Morning
Beautiful...
It's a beautiful day... Good Morning Beautiful... Good
morning... Good Morning Beautiful...
What a beautiful day... Good Morning Beautiful!
