It's a . where the hell am I,  
Is that time a ., it seems that I just close my eyes,  
I sweat of last .the skies, uhuh uhuh.  
I hear the .call,  
to go  
But .eyes there's a star to .,  
I soon but I don't care at all.  
And as the years begins to show me,  
My life in time I see,  
The years are here. I and change.  
Chorus:  
Well there's just another way in time,  
Something buying deep inside  
Never felt so tired on and on, (tired on and on)  
Just a thousand lonely miles I see you smile  
...and I'm a little stoned, I'm on my way home.  
My life in time I see,  
The years are here. I and change.  
Chorus:  
Well there's just another way in time,  
Something buying deep inside  
Never felt so tired on and on, (tired on and on)  
Just a thousand lonely miles I see you smile  
...and I'm a little stoned, I'm on my way home.  
[Chorus:]
