I forgot to put gas in my car, so I stalled at the side of
the road
I forgot to set my VCR, so I missed an all-new episode
So many things I seem to forget, there's just one I
haven't yet
Like a policeman hanging onto a clue, I can't seem to
forget about you
I can't seem to forget about you

I forgot to close the windows, flies are buzzin' 'round
the trash
I forgot to wash my elbows, I woke up this morning with
a rash
So many things I seem to forget, there's just one I
haven't yet
Like a big ol' pebble in a worn out shoe, I can't seem to
forget about you
I can't seem to forget about you

Love is blind but its memory's fine, sure does love to
tease ya
I think I'd be better off if I had selective amnesia

I forgot my new pin number, so I'm broke at the ATM
I forgot to buy cucumber, my salad's all lettuce again
So many things I seem to forget, there's just one I
haven't yet
Like a monkey stuck in a cage at the zoo, I can't seem
to forget about you
I can't seem to forget about you
