Far Away from all my pain  
is a place that I call home

Where all my loved ones rest  
Where souls are free to roam

I can see my sweetheart smile  
and I wonder for awhile

How long must I remain So far away

Far Away  
Far Away

I will hear the pipes Calling me that day  
For I know it wont be long till I'm freed from right and  
wrong

When they carry me back from far away

Far Away

I have crossed the foreign hills and sailed the troubled  
sea  
And many a battle fought for the sake of liberty

But my heart is in the highlands and my love be there  
for me  
and tears do I shed from far away

Far Away  
Far Away

I will hear the pipes Calling me that day  
For I Have all that I need, when from this life I'm freed

When they carry me back from far away

When they carry me back from far away

Far Away
