Whooooo

Whooooo

Ever since time began

Man loves a woman

Woman loves a man

This is the way it was meant to be

Through the pages, through the books

Of our history

You, you, you

Who do you love, who do you love, who do you love,
now

You, you, you

Who do you love, who do you love, who do you love

One and one and one are three

I love you, do you love me

This is the place, now is the time

Give me your love, and I'll give you mine

You, you, you

Who do you love, who do you love, who do you love,
now

You, you, you

Who do you love, who do you love, who do you love

This is simple, and it's true

There's a shining light all around you

You're the one, you're the fire

You can make it higher and higher

This is the place, now is the time

Tell me now darlin', will you be mine

You, you, you

Who do you love, who do you love, who do you love

Put your arms around me

Ah, hold me tight

Ah, cuddle up darlin'

Ah, in the still of the night

Ah, you are the one

Ah, that I adore
Ah, you are the one that I love so well

This is the place, now is the time
Tell me now darlin', will you be mine

You, you, you
Who do you love, who do you love, who do you love,
now
You, you, you
Who do you love, who do you love, who do you love,
now
You, you, you
Who do you love, who do you love, who do you love,
now
You, you, you
Do you love me, do you love me, do you love me, now
You, you, you
Who do you love, who do you love, who do you love
