Maybe she's just another sweet thing
Just a lookin' to go
for a ride
Lookin' to see what it's all about
Before she
can be satisfied
Or maybe she's cool and still goin' to school
And out
lookin' for a man
To write a book or make her cook
Or
hold her dishpan hands
She could a duchess or even a dame
Or a lady from
over the hill
Yes, come on honey what's the name of
your thrill
We'll try to shake it
Come on baby, let's find
that old hill
We're bound to make it
Mood's high and I'm
dry
Come on

{??}

Queen of Spades that ain't been played
So she knows
she's well endowed {??} witch with a nervous twitch
And
the nature of a clown {??} certified {??} Answer to a
sailor's dream {??} to make things what they seem
Oh you dreamer, sweet redeemer
Take me for what you
will
Yeah, come on honey what's the name of your
thrill
We're gonna shake it
Come on baby, let's find that
hill
We're bound to make it
Mood's high and I'm
dry
Come on, come on
{??}
